**NATIONAL
JUSTICE
MUSEUM**

It is fantastic to be visiting the National Justice Museum this August! We are delighted to be taking over the courtyard space and joining the museum in extending its footprint, creating a place for cultural exploration, artists and creative activities.

Working in partnership with the National Justice Museum we have created a unique space for conversations with people about justice, the law and protest. These conversations are both urgent and necessary; for the future care of our planet and for society.

Welcome to S.H.E.D Protest!

Dr Rhiannon Jones, Creative Director
and CEO of Designing Dialogue CIC (S.H.E.D)

Please note: this event will adhere to the latest Covid-19 Government guidance.

Protest S.H.E.D is a brilliant and vital part of our summer programme. We aim for people outside the museum to shape and inform what happens inside the museum, sharing thoughts and perspectives to create something extraordinary together.

This edition of S.H.E.D with your input will inform our 2022 exhibition 'young people and protest' We look forward to welcoming you to S.H.E.D!

Andrea Hadley-Johnson, Artistic Programme Manager
